Learn and Be Inspired!

This year's conference is an excellent opportunity for learning and networking with national leaders who represent healthcare, business, education, and government/non-profit sectors. 2017 MBNQA Recipients, Bristol Tennessee Essential Services, the City of Fort Collins, and Stellar Solutions and 2014 recipient St. David's Health Care will present plenary presentations and break-out sessions at this year's conference. The Baldrige Foundation will provide an update from the Baldrige enterprise during a general session. Additional workshops will feature TPE Award winners, and performance excellence professionals who will provide actionable ideas for you to implement new processes and strengthen the management practices in your organization.
