

Pre-work Assignment for TPE New Examiner Orientation 2021-2022 TPE Award Cycle

The following pre-work should be completed prior to attending New Examiner Orientation (NEO). The pre-work consists of videos to view, documents to read, and one practice assignment. The pre-work module will be provided in the Bridge Learning Management System. It will take approximately 4 hours to complete the pre-work and it is essential to complete it prior to the NEO, as exercises will be based on information learned. Complete the following activities in the order presented.

View video: NEO Purpose - TPE Overview (video & presentation) – 16:58 minutes

- Read Role of an Examiner (document) – Approximately 5 minutes
- Review 2021-2022 TPE Examiner Process (document) – Approximately 5 minutes

View video: Baldrige Excellence Framework Overview (video & presentation) – 15 minutes

- Familiarize yourself with 2021-2022 Baldrige Excellence Framework – Education (document) – approximately 30 minutes

View Excellence Engagement Videos – approximately 17 minutes total

- [Organizational Profile Overview](#) (2:21 minutes)
- [Anatomy of Baldrige Framework](#) (6:27 minutes)
