

## Become a Sponsor for the 2022 Quest for Success!

TPE's Quest for Success is a premier Midwest conference for performance excellence. Malcolm Baldrige National Quality Award (MBNQA) recipients, TPE award winners, and performance excellence professionals will deliver leading-edge presentations with improvement strategies you can immediately apply to your organization.

Join us for pre-conference activities and the conference on September 12 – 13, 2022 to learn from, engage with, and be inspired by Baldrige award winners and our regional program award recipients. Our attendees - CEOs, middle to senior level executives, directors, heads of operating units, and quality/performance improvement leaders - represent all sectors of the economy and have a passion to drive organizational improvement and effectiveness.

Your sponsorship of the Quest for Success will enhance the conference significantly for the participants, as well as showcase your organization. Conference sponsorship maximizes the return on your investment with influential leaders from across our region. Sponsorships include advertisements on the TPE website, marketing literature and official program, in a variety of announcements during the conference, and acknowledgement on slides prior to plenary sessions.

This year's conference will take place at the Fawcett Center at **The Ohio State University**. TPE has reserved blocks of rooms at the Hampton Inn & Suites and Hilton Garden Inn Columbus-University Area. The hotels are within minutes of the conference venue and discounted room reservations can be made online at the TPE website.

Keynote and breakout sessions will include recent MBNQA winners and many other dynamic presentations and workshops. The conference will provide numerous opportunities to learn about role model best practices, improvement strategies, and benchmark world-class results.

MBNQA recipients presenting at the conference include 2021 and two-time recipient The Charter School of San Diego, San Diego, California and 2019 recipient Center for Organ Recovery & Education (CORE), Pittsburgh, Pennsylvania. Additional workshops will feature former and current TPE and MBNQA award recipients and performance excellence professionals who will provide actionable ideas for you to implement new processes and strengthen the management practices in your organization.
